Thunderbird Members

2009-2010

A special welcome to all of our new members as well as to all of our previous members! We'd like to share a few rules with you, explain what your dues provide, and outline the schedule of events for this ski season.

The Thunderbird Club is for members only. Your pass should be visible while you are in the club. You are responsible for paying $10.00 for any adult non-member, and $5.00 for any children (12 and under) who are your guests. Please go to the office to pay for and receive a guest pass.

If you are interested in having a guest at Fun Weekend you must see a Board Member a week in advance to register the guest and pay $20.

Members are given a discount on tuning skis at Song's Alpine Edge in the main lodge.

Again this year we will have the opportunity for each member to race NASTAR at Song Mountain for the entire season as part of your dues. Watch for more details.

Rules

• Please make room for everyone by sharing tables! A tablecloth on a table does not mean it is reserved.

•The instant hot water faucet for hot chocolate, tea, coffee, and soup is extremely hot. We request that only adults use it.

•Children should be supervised at all times.

•All family members should clean up after themselves.

•We recycle all cans and bottles. Please put them in the proper container.

•Soda is provided each weekend (You will need to provide your own cups).

•Beer, wine and soda are provided at each party (You will need to bring your own cups).

•The grill on the deck is for everyone's use.

•Skis, poles, and snowboards should be kept in your locker or outside on the racks not upstairs please.

•There is no parking by the doors. You may pull up briefly to unload your vehicle and then park in the lot.

•Dates and news will be posted on our website (songtbird.com) and on the bulletin board as you come up the stairs.

•Please volunteer to host a party and / or breakfast. Lisa Roy (315-303-5629), Joan Macholl (315- 406-6780), or Kim Caldwell (315-672-9249) can give you more information about hosting. The Club budgets approximately $200.00 for food and supplies for each party. They usually start at 3:00pm. Several families can jointly host any party. New ideas are always welcome!

Schedule
