## NASTAR Recreational ski racing

A fun race program open to all skiers and snowboarders, come join us and challenge your self to a "standardized course time", track your score on line, and receive state, national, local standings. All scores are handicapped by age and gender, with medals given for all participants.

Jeff Solberg and Bill Schreher are setting the course and par times again this year. Look for Sunday morning clinics through out the season for tips and techniques.
